The screenshot shows a web browser window with the URL `ejournal.widyamataram.ac.id/index.php/JRI/authorDashboard/submission/833#workflow`. The page title is "Jurnal Reayasa Industri (JRI)" and there is a "Back to Submissions" link. The main content area displays the submission workflow for article 833 by Yaning Tri Hapsari et al., titled "Perancangan Tata Letak Fasilitas Produksi Pengecoran Logam di UKM Logam". The workflow is divided into "Workflow" and "Publication" sections. Under "Publication", there are four stages: "Submission", "Review", "Copyediting", and "Production". The "Review" stage is further divided into "Round 1". A "Round 1 Status" box indicates "Submission accepted.". Below this, a "Reviewer's Attachments" section shows "No Files" and a "Search" button.
