The above matter is kindly referred.

2. We are writing to you in hope you will consider joining the Editorial Board of AgroTech-Food Science, Technology and Environment Journal. This appointment is for a period of **two (2) years** effective date of **20<sup>th</sup> February 2022**.

3. A Co-editor would normally handle between 3-4 papers per year and contribute at least one (1) paper or cite at least two (2) articles from this journal per year. We look forward to hearing from you and we very much hope that you will be able to join our team of Co-editors. Do not hesitate to contact us if you have any enquiries.

Your cooperation in this matter is highly regarded and thank you in advance.
