TERM OF REFERENCE (TOR)

PRESENTATION ASSESSMENT

World Innovation for Sustainability Essay Competition (WISEC)

A. Name and Theme of the Event

The World Innovation for Sustainability Essay Competition (WISEC) and the 2nd Sustainable Innovation National Essay Competition (SINEC) 2026 are international and national-level scientific essay competitions organised by Cakap Riset in collaboration with Universitas PGRI Yogyakarta, inviting students and university scholars to express their creative and innovative ideas to confront future challenges. WISEC and the 2nd SINEC are presented under the overarching theme "*From Local Ideas to Global Impact: Empowering Youth as Innovation Catalysts for a Sustainable Future*". This competition is designed to facilitate the transformation of fundamental ideas from local environments into solutions with global impact.

Through WISEC and SINEC, the younger generation is empowered as innovation catalysts to formulate ideas that are not only technically solvable but also inclusive and sustainable for Indonesia's future. Every resulting essay is anticipated to provide insightful perspectives and offer creative, applicable solutions for the advancement of Indonesia. WISEC and SINEC serve not merely as competitions but as platforms for Generation Z to act as agents of change, generating tangible impacts on society and the world. This competition will be conducted in a hybrid format, with the online final competition scheduled for May 16-17, 2026.

B. Time and Venue of the Event

The judging session for the Grand Final Online Competition of the 2nd SINEC & WISEC 2026 will be executed on:

Day/Date : Saturday, May 16, 2026

Time : 08:00 WIB – Conclusion

Venue : Zoom Meeting

C. Event Participants

The participants of this event are finalists comprising high school students (or equivalent) and undergraduate students (or equivalent) from across Indonesia.

D. Final Presentation Mechanics and Judging Mechanism

1. The final presentation competition is implemented through a division system comprising 8 (eight) assessment chambers, which are defined as follows:

No	Full Name	Event	Chamber	Nationality

2ND SINEC 2026 WISEC 2026

Organized by:

14	Eka Widyaningsih, S.T., M.Sc.	2nd SINEC		Indonesia
15	Assoc. Prof. Dr. Padrul Jana, S. Pd., M. Sc.	WISEC	Chamber: Sustainability and Innovation	Indonesia
16	Dr. Zohaib Hassan Sain	WISEC		Pakistan

- Each chamber will be occupied by 2 (two) Judges members in accordance with the plotting and assignments established by the organizing committee.
- Judges are required to utilize a Virtual Background (VBG) and adhere to the following Zoom naming convention: Judges_Judge's Name_Chamber Name.
Example: Judges_Dr. Zohaib Hassan Sain_Sustainability and Innovation
- Prior to the execution of the presentation, each Judges member will receive an assessment spreadsheet link containing the format and assessment components that correspond to the competition rubric.
- The organizing committee will conduct a technical assessment briefing for all Judges members regarding the data entry procedures, scoring mechanisms, and the utilization of the assessment spreadsheet via the distributed link.
- All Judges members are obligated to digitally sign a statement of assessment integrity pact as a manifestation of their commitment to executing the assessment process objectively, independently, professionally, and free from any conflicts of interest.
- During the execution of the presentations, each chamber will be accompanied by a moderator/liaison officer committee member tasked with opening the session, moderating the presentation, managing the time limit, and ensuring technical orderliness throughout the session.
- Each finalist team is allocated a maximum presentation duration of 7 (seven) minutes to articulate their presentation materials.
- Following the conclusion of the presentation session, it will proceed to a Question and Answer (Q&A) session lasting for 5 (five) minutes, governed by the Judges members.
- During the Q&A session, the Judges members in each respective chamber will alternately pose questions to the participants or Judges representatives.

11. It is not mandatory for all Judges members to direct questions to every finalist team, unless the remaining allotted time is still sufficient for supplementary inquiries.
12. The judges members will conduct direct assessments during the active presentation and Q&A sessions via the provided assessment spreadsheet.
13. Once all participants within a chamber have finalized their presentations, the Judges members may execute a finalization and subsequent review of the assessment outcomes prior to submission to the committee.
14. The entirety of the presentation and judging procedures shall be conducted objectively, professionally, and in strict adherence to the guidelines and assessment rubrics established by the organizing committee.
